ABOUT

AARON and AMYESTELLE are endorsed to serve in evangelism and discipleship alongside IM partners in the Philippines. In partnership with the Convention of Philippine Baptist Churches (CPBC), Aaron will be a resource and support for local churches in discipleship and general ministry. He will use his gifts

and professional experience in art to engage with and nurture local artists. AmyEstelle will use her administrative giftings and various ministry experiences to work alongside local schools and churches to mentor and disciple young women, teenagers, and children through various activities such as Bible studies and music. They look forward to partnering with the CPBC schools to equip and support national pastors and ministry leaders through the satellite seminary school.

The Trouts are now a family of four! They welcomed Amos Job during the 2021 Christmas season, and Amaryn has been promoted to big sister.

learn the specific needs of the people and how to minister to them. These first steps will segue into planning and building the camp, which we pray the Lord will use to have a big impact on our small part of his kingdom.

“ MINISTRY STORY

It wasn't that long ago that this work we've begun was nothing more than just thoughts and feelings. The thought that "Hey, a camp might be a cool use of our land," or the feeling of warm grass under our feet and the Spirit in our hearts telling us, "This is where you should be!" We never planned on being missionaries. We've loved living and ministering to the people of San Francisco, but little did we know that God was growing us and preparing us to serve his kingdom in the Philippines. God has called us to use our family's land on the island of Mindanao to be a resource for churches in the area, and to reach the fertile hearts of the more than 30,000 children who live in our part of the island.

Even now the property is bearing fruit—both spiritual fruit and crops to feed the community. Our first years of ministry we are focusing on being a new family in a new culture, getting comfortable with the language, and finding a local church through which we can more intimately

PRAYER REQUESTS

Pray for us to learn the language and culture quickly in order to communicate the gospel clearly.

Pray for the development of relationships so we can connect with people in our town and surrounding farms.

Pray for us as our family finds a home church and we strengthen our relationship with the Lord and each other.

Pray for our daughter Amaryn as she adjusts to a new home and culture, and a new community.

Praise God for the newest addition to the Trout family—our son, Amos.

SCRIPTURE

"Then the sovereignty, power and greatness of all the kingdoms under heaven will be handed over to the holy people of the Most High. His kingdom will be an everlasting kingdom, and all rulers will worship and obey him."
