India - Northeast Christian University Construction

SUPPORT RAISED

INDIA

GOAL

This project seeks to raise \$100,000 to begin construction of a city center for the new university

SUMMARY

This project will build a Christian university to accommodate 3,000 students.

DESCRIPTION

For the first time since American Baptist missionaries began work there in 1836, the Council of Baptist Churches of North East India plans to establish a liberal arts university near Dimapur, Nagaland, to provide a wholesome education that is global in perspective, Christian in character and practical in its approach.

North East Christian University will be committed to integrating faith and knowledge, character and service to transform and empower students for leadership in challenging times.

This project will be managed by a representative board of directors from the Council of Baptist Churches of North East India.

It is anticipated that this project will create a university to accommodate 3,000 students.

SUGGESTED GIFTS

\$3,800 pays for one administrative office

\$15,400 pays for one computer lab

\$23,000 pays for one classroom

PRAYER REQUESTS

Please pray with the Council and IM development workers Taku and Katie Longkumer that the new university will provide a Christian witness to thousands of students.
