New Project in ZIMBABWE: STEP AFRICA CHILDREN of PEACE

DAN AND SHARON
BUTTRY

SUPPORT PLEDGED

Lance Muteyo recently reported from ZIMBABWE:

I am in a village called Gambiza Chiwundura for the STEP AFRICA program. I am meeting kids for the first time for whom we are paying school fees, providing uniforms and economic development projects for the families. The village is 300 km from Harare where I stay. I reached there safely despite the bad road. We are having so much fun with the kids, guardians and volunteers.

We have projects in 2 other countries: D R CONGO and BURUNDI. The project started when Sango Shila and Ildephonse Niyokindi approached Sharon Buttry in Egypt in 2017 about their experience as children affected by war. Ildephonse was strapped to his Mom’s back at age 2 when she was struck down by soldiers and died. Both men wanted to help children who are vulnerable to the effects of war and displacement. Their heartbeat is to help children to have a fair chance in life.

You can give online and pray for this project. You can help us find VBS, Men’s and Women’s groups and monthly supporters to reach our goals. And special thanks to all our donors — please listen to the videos and hear THANK YOU from these wonderful children and families!
