Vision D15:4 – There should be no poor people among you

BEN CHAN

We were blessed to have Rev. Kenny Auyeung, Winny Lam and Debbie Chan of the Chinese Missionary Baptist Church of New York visit International Ministries. Rev. Auyeung is also the Director of a faith-based NGO, [D15:4 Inc.](#), which has outreach programs serving the urban poor in New York and in Hong Kong.

We were touched by how they were called by God to reach out to the homeless, providing care packages to meet their practical needs and praying and caring for them with the love of Jesus Christ. Our guests also shared how to reach out to the children in the cities and how to provide training for the trainers in different countries to serve the poor and the marginalized of their communities.

Pray for God's guidance for our possible partnership.
