White Cross – Dominican Republic Kits

SUPPORT RAISED

DOMINICAN REPUBLIC

GOAL

International seeks to raise \$10,000 at only \$10 per kit through White Cross for the Dominican Republic

SUMMARY

This White Cross project seeks provide hundreds of baby layettes, health and school kits at \$10/kit to benefit the Haitian communities in San Cristobal, in the Dominican Republic.

DESCRIPTION

The Baptist Association of Life Eternal in San Cristobal, Dominican Republic relies on White Cross contributions to supply kits to hundreds living in extreme poverty in the barrios. A mobile medical clinic brings healing and health into the barrios through vitamins, parasite medication, eye drops and creams. They teach disease prevention while sharing the Gospel of Jesus Christ.

Pre-maternal gift baskets provide baby clothing, diapers, vitamins and a blanket to new mothers. School kits give the children the chance at an education that can break the cycle of poverty through simple things like a pencil, eraser and notebooks. School uniforms are also made possible through White Cross contributions.

It is anticipated that this project will help hundreds of people who struggle each day to provide for their basic needs.

SUGGESTED GIFTS

A gift of \$10 will provide:

Health kit of vitamins, anti-parasite med, linens, sheets and Band-Aids, or

Baby layette with diapers, soap, towel and a baby bottle, or

School supplies like a backpack with a notebook, pencil and uniform

PRAYER REQUESTS

Please pray for the Haitians living in extreme poverty to keep their hope that God will help them flourish

Please pray for those tackling spiritual poverty in the San Cristobal area by bringing the Gospel message as well as arts and craft classes and school supplies

Please pray that those receiving these kits will know that others care for them.
